

Colosseum Alpi

Porcelain Tile

- 1 colour
- 1 Finish
- 2 sizes

All of the elegance and natural beauty of veined marbles, but without the need for ongoing maintenance

Vibrant depth and veins have been intensified with an antique effect to give a vintage allure, all the while maintaining the sense of class that only classical marbles can offer.

The creativity and expressiveness of this range is further enhanced by the mixed mosaics designed to offset the plain tiles.
